### **E. STATEMENT TO THE PUBLIC**

Mrs. Peters made the following announcement: Oftentimes it may appear to members of our audience that the Board of Education takes action with very little comment and in many cases by unanimous vote. Before a matter is placed on the agenda at a public meeting, the administration has thoroughly reviewed the matter with the Superintendent of Schools. If the Superintendent of Schools is satisfied that the matter is ready to be presented to the Board of Education, it is then referred to the appropriate Board committee. The members of the Board committee work with the administration and Superintendent to assure that the members fully understand the matter. When the committee is satisfied with the matter, it is presented to the Board of Education for discussion before any final action is taken. Only then is it placed on the agenda for action at a public meeting. All agenda attachments are available for public review. In rare instances, matters are presented to the Board of Education for discussion at the same meeting that final action may be taken.

Time may be allocated for public comment at this meeting. Each speaker may be allotted up to five (5) minutes and one (1) opportunity to address the Board when recognized by the presiding officer. Individuals wishing to address the Board shall be recognized by the presiding officer and shall give their names, addresses and the group, if any, that they represent. Although the Board encourages public participation, it reserves the right, through its presiding officer, to terminate remarks to and/or by any individual not in keeping with the conduct of a proper and efficient meeting. With the exception of those individuals whose names are on the agenda this evening, the Board will not respond to questions during the public participation portion of this meeting involving the employment, appointment, termination of employment, negotiations, terms and conditions of employment, evaluation of the performance of, promotion or disciplining of any specific, prospective or current employee.

### **F. OPPORTUNITY TO ADDRESS THE BOARD RELATING TO AGENDA ITEMS**

Alex Smiga

LBSEA Representative

Mr. Smiga stated that he grew up in Long Branch and has stayed in Long Branch by choice. He recognizes that as everything around us changes, as a public school we remain the constant. He stated that the Health Center works. It brings staff members and their families to Long Branch and we should take the opportunity to grow forward rather than cut it back. He stated that the Health Center can build community. He asked the Board that as they deliberate they keep the Health Center as a key stone for Long Branch as a long term community investment.

Kristen Clarke  
LBSEA President

Ms. Clarke stated that she recognizes there were a lot of hard decisions to be made during this budget season after the loss of State Aid. She thanked the Board and the administration for continuing to put staff and students first. She stated that she knows that in balancing the budget the Board is taking a hard look at the Health Center. She continued by stating that the Health Center is a huge incentive for the staff due to its convenience as well as a cost savings. She shared statistics of the Health Center usage with the Board and believes that the convenience of the Center cuts down on staff using a sick day and in turn creating the need for substitutes, driving up insurance premiums due to staff consulting urgent care facilities or the emergency room. She urged the Board to find a way to maintain some or all of the services provided by the Health Center.

Shannon King  
LBAFT President

Mrs. King related a personal story regarding a family members recent health battle. She stated that the staff at the Health Center were instrumental in helping her family navigate this very difficult time. She is confident that her story is just one of many. She stated her concern that if the Health Center should close, where would families go to receive the services that the Center has provided.

Mrs. Peters thanked the union representatives for attending the meeting and stated that the Board voted at the last meeting to close the Health Center.
