B. FLAG SALUTE AND PLEDGE OF ALLEGIANCE

Mrs. Peters, Board President, will salute the flag and lead the Pledge of Allegiance.

C-1. STATEMENT TO THE PUBLIC

Oftentimes it may appear to members of our audience that the Board of Education takes action with very little comment and in many cases by unanimous vote. Before a matter is placed on the agenda at a public meeting, the administration has thoroughly reviewed the matter with the Superintendent of Schools. If the Superintendent of Schools is satisfied that the matter is ready to be presented to the Board of Education, it is then referred to the appropriate Board committee. The members of the Board committee work with the administration and Superintendent to assure that the members fully understand the matter. When the committee is satisfied with the matter, it is presented to the Board of Education for discussion before any final action is taken. Only then is it placed on the agenda for action at a public meeting. All agenda attachments are available for public review. In rare instances, matters are presented to the Board of Education for discussion at the same meeting that final action may be taken.

C-1. **STATEMENT TO THE PUBLIC (continued)**

Time may be allocated for public comment at this meeting. Each speaker may be allotted up to five (5) minutes and one (1) opportunity to address the Board when recognized by the presiding officer. Individuals wishing to address the Board shall be recognized by the presiding officer and shall give their names, addresses and the group, if any, that they represent. Although the Board encourages public participation, it reserves the right, through its presiding officer, to terminate remarks to and/or by any individual not in keeping with the conduct of a proper and efficient meeting. With the exception of those individuals whose names are on the agenda this evening, the Board will not respond to questions during the public participation portion of this meeting involving the employment, appointment, termination of employment, negotiations, terms and conditions of employment, evaluation of the performance of, promotion or disciplining of any specific, prospective or current employee.

This includes, but is not limited to, small group instruction, one on one support, and all other IEP mandated accommodations and Related Services.
- **Case Managers**
 - Case Managers have access to all classroom codes via Google Classroom and Zoom links so they can follow up on all students within their respective case loads at all times. Additionally, phone calls and Zoom meetings can continue to be held in the event of transition to remote learning.
- **IEP Meetings/Evaluations**
 - All evaluations and re-evaluation meetings for the Long Branch Public School District will continue in a virtual setting should the district need to transition to remote learning. These meetings will continue to look similar to those conducted live (sign in sheets, Special Education teacher present, classroom teacher present, case manager, etc.).

Addressing English Language Learners (ELL) Plan Needs:

- **Program**
 - Specific curriculum aligned to NJSLs will be taught to identified ELL students within their specific classrooms. These classes are included in each of the schedules, from Pre-K through 12 on the attached sheet for Remote Learning Daily Schedules.
- **Communication with Families of ELL Learners**
 - The Long Branch Public School District utilizes Blackboard Connect to send text messages to all families. These messages are sent to families in English, Spanish, and Portuguese. Additionally, parents who sign up for Parent Portal in Genesis can access student grading and attendance information. Finally, there are a myriad of other platforms used within each classroom such as Class Dojo and Remind 101.
- **Differentiation for ELL Learners within Program**
 - Teachers in the district have been trained in SIOP, which provides teachers strategies for how to present a lesson specifically geared toward ELL learners. This is especially important for our Elective level teachers.
- **Training for all school stakeholders as it relates to culturally responsive teaching and learning, socio-emotional learning, and trauma informed teaching for students affected by forced migration from their home country**
 - The Long Branch Public School District has an office of Diversity, Equity, and Inclusion (DEI) which has provided staff with a myriad of resources and professional development opportunities since its inception in 2021. Additionally, this office has a digital library of presentations and videos teachers can access from any device should the district need to transition to Remote Instruction. These resources can be found on the district website.

Attendance Plan:

- **Attendance Policy and Procedures**

- Teachers will have the same access to Genesis in a remote learning environment as they would in a live instructional setting. Teachers will take Daily and (at the applicable levels) class period attendance within the Genesis platform. District Attendance Officers will monitor daily attendance for trends and make follow up phone calls for each school as needed.
- Students shall be subjected to the school district's response for unexcused absences that count toward truancy during the school year as outlined in N.J.A.C. 6A:16-7.6(a)4. and Regulation 5200 (District Policy 5200). During times of remote instruction, just as in times of live instruction, attendance will not be tied to disciplinary action, as the goal is to promote positive attendance and find root causes for those students who are not attending school on a regular basis. The Long Branch Public School District will utilize all available resources to work with families and students who do not attend school regularly in a remote environment, especially as it relates to mental health services.

- **Communication with families of students who do not participate in online instruction**

- Teachers will continue to be the first level of communication for students and their families. For students who are chronically absent and/or not participating, school counselors and advisors will be involved in consultation, when needed, with district Attendance Officers. Hot lists will be created and maintained for those students who are struggling with remote learning, and be referred for additional support services which include but are not limited to our School Based Youth Services Program, SEL Sessions, and additional check-ins with school counselors as needed.

Safe Delivery of Meals Plan:

- **Breakfast & Lunch**

- In the event of District Emergency Closure, Grab and Go Breakfast and Lunch packages will be distributed at 4 locations (Long Branch Middle School, Lenna W. Conrow School, Gregory Elementary School, Holy Trinity School)

Facilities Plan:

- **Building Maintenance During School Closure**

- Custodians, Maintenance, and Buildings and Grounds members have been identified as District Essential Employees. Therefore, they will continue to report to their designated locations during any prolonged school closure which requires a transition to remote learning for students.

Other Considerations:

- **Accelerated Learning Opportunities**

- Teachers will continue to follow the district Gifted and Talented plan for students at all grade levels to provide these accelerated learning opportunities within a virtual setting.

- **Social and Emotional Health of Staff and Students**

- The district will continue to implement SEL and Wellness activities to all students via Zoom from our District Wellness Coach and District SEL Coach in the same manner in which instruction was delivered during the pandemic shutdown. Additionally, through our Project AWARE (Advancing Wellness and Resiliency in Education) program, staff will continue to have access to coping supports and resources they can utilize for self health, care, and wellness.

- **Title I Extended Learning Programs**

- Title I Programs will continue at the conclusion of each school day. Each staff member working within these programs will provide their students with a specific google classroom code and Zoom link for these after school opportunities.

- **21st Century Community Learning Center Programs**

- LB STEAM, our district after school program, will continue to run during an extended transition to remote learning. Each staff member working within these programs will provide their students with a specific google classroom code and Zoom link for these after school opportunities.

Other Considerations *continued*:

- **Credit Recovery**

- Credit Recovery will continue to run during an extended transition to remote learning through the various state approved methods for such. As these programs are already completed in a virtual setting, teachers will continue to monitor and check in with those students taking part in credit recovery programs while the district transitions to remote learning.

- **Other Extended Student Learning Opportunities**

- Teachers will continue to provide all needed extended learning support and opportunities. This will be done in a virtual setting as indicated by individual student progress data taken from the many programs utilized in the district which include, but are not limited to, iReady and LinkIt!

- **Transportation**

- In the event of a transition to remote learning, a select number of bus drivers will be identified as Essential Employees should any transportation needs arise.

- **Extra-Curricular Programs**

- In the event of a transition to remote learning, all in-person extracurricular programs will be canceled. However, coaches and/or club leaders will continue to meet with students and will provide their students with a specific google classroom code and Zoom link for these after school opportunities.

- **Childcare**

- In the event of a transition to remote learning, the district will also close its childcare program "Little Waves" until health and safety metrics improve for the allowing of such to continue.

- **Community Programming**

- The Long Branch Public School District will continue to partner with several different community entities such as the Long Branch Public Library to continue to offer community programming in a virtual format in the event of a prolonged health related closure.

Essential Employees:

- The Long Branch Public School District has a list of essential employees should the district need to transition to remote or virtual instruction and will provide said list to the County Superintendent's Office at said time should the need arise.
